Our Commitments to Students

Welcome to Coleg Morgannwg

Our future in Wales depends ultimately on the energies of a trained, aspirational and confident population. People with these qualities are created - or create themselves - through the process of learning.

The College aims to be a unified, modern organisation that will provide, efficiently and effectively, the best possible learning opportunities to individuals, to communities and to industry on an equitable basis throughout Rhondda Cynon Taff. Pursuing this purpose entails working collaboratively. The College, therefore, will continue to be a partnership-seeking organisation and will plan with others so that, through considered and of concerted action, the ambitious strategies of the Welsh Assembly Government can be implemented successfully in the area.

The College will continue the policy of offering a total curriculum that incorporates both start-up learning chances and opportunities for the development of higher, technical and professional skills.

Through our service to people, we have a critical contribution to make to the process of economic and social renewal in Rhondda Cynon Taff. We will make this contribution enthusiastically.

Our Intentions

To respect the individual learning needs of each student

To do all that is reasonable to help each student achieve a relevant qualification

To encourage each student to respect the discipline, and appreciate the value, of learning

To encourage each student to seek and respect the professional advice offered by tutors

To provide appropriate resources for effective learning and teaching

Guidance & Counselling

Students have the right to informed, supportive and timely educational guidance and counselling.

Specialist tutors and advisers will be available to assist students in choosing the most appropriate study programme.

Learner Services staff, course tutors and careers advisers will offer help and advice should an alternative course or study programme be required.

Where appropriate, specialist advisers and assessors will assist students to gain suitable qualifications, or credits towards a suitable qualification, based upon existing skills, knowledge and experience

Students experiencing personal difficulties that affect their studies will receive prompt help and support (usually within 2 working days) from Learner Services staff.

Students will be offered help and advice on scope for further study, including Higher Education, by Campus Services staff, careers advisers or course tutors.

Tutors, Careers Advisers or Learner Services staff will offer advice on job and careers opportunities. A job/careers notice board will be maintained at each site.

All full time students are informed of college services, receiving a planned programme of careers education and guidance, with access to personal guidance and up to date careers information. This programme will reflect the recommended criteria and learning outcomes stipulated in national standards for careers education and guidance. Part time/ community students will be entitled to utilise the advice and guidance provided by the careers team within the college.

Work Experience

Where appropriate to the achievement of their learning goals full time students are encouraged to participate in a programme of work experience, which will be:

well planned

relevant to the course objectives

assessed for suitability

provided at a pertinent time

COLEG MORGANNWG POLICY DOCUMENT

provided as an insight to the demands of work

contribution to personal development

an opportunity to acquire vocational skills, including key skills

an opportunity to apply skills and knowledge learned at college

monitored by college work placement staff

reported on as part of the course assessment programme.

Employers offering work placements will be briefed on the above and agreement reached on their particular contribution to the students learning and assessment

Student Admissions

Potential full-time students will receive an interview to decide the course of study best suited to their needs. Applicants will be made fully aware of the admissions arrangements.

Opportunities for students to view the College and its facilities prior to the commencement of a course will be organised by holding Open Days or by individually arranged visits.

Financial Matters

All full-time further education students aged 16-18 who reside within the European Union are entitled to free tuition. Where a fee is to be charged, the College will provide information outlining its fee structure prior to enrolment.

Charges relating to examination entries and registration fees, books, equipment and other study materials vary between courses of study. Students will be made aware of these charges prior to enrolment

Information about financial assistance such as grants, home-to-college transport and other help is available from Campus Services. This will include government grants, Financial Contingency Funds and other College-funded help

The College will endeavour to supply contact points with other local organisations who provide career and financial advice

Any request for information will be dealt with clearly and promptly. Requests for information and applications for assistance will be answered within ten working days.

Student Parliament (Union)

All students have the right to free membership of the Student Union.

All students are eligible for advice regarding College services such as welfare, career guidance, catering, whether members of the Student Union or not.

All students will have open access to representation within the College via their elected Parliament/Union officers.

All students have the right to choose the activities and societies they wish to join.

That attempts to protect all students from any unfair practice and will not allow bias towards any one particular philosophy.

If they feel that the College Student Parliament/Union has acted unfairly, all students have the right of appeal, initially to the College Management, and then to an outside authority if not satisfied with the outcome.

Welsh Language Policy

The College is committed to increasing the services offered to students in the Welsh language and the number of courses taught through the medium of Welsh

Overseas Students

The College welcomes enquiries from overseas students.

Overseas learners who have difficulty with use of the English language may be offered language support alongside or prior to starting their main programme of study.

At present, the College has no residential students' accommodation. However, lists of available accommodation provided by local agencies may be obtained from Campus Services, together with other information for overseas students

The College & The Local Economy

The College will continue to develop relevant education and training solutions to meet the needs of the business community and economy of Rhondda Cynon Taff and SE Wales. Particular emphasis will be placed on development of solutions that are more accessible to business through flexible channels for learning, such as work-based

programmes and remote learning.

The ongoing development of the enterprise curriculum will equip students to make a fuller contribution to economic regeneration, through the acquisition and/or development of entrepreneurial skills. Support will also be offered to ex-students wishing to become self-employed by sign posting to relevant support agencies, assistance with applications for scholarships and other relevant advice.

The College will actively develop partnerships with business and the business support community, and work closely with Sector Skills Councils and local networks to ensure a coherent response to local and regional business needs.

The College will be a source of expertise to business to assist the adoption of existing and emerging technologies and associated knowledge base.

The College and the Local Community

The College will play a responsible and responsive part in the life of the community

The College will take into account the needs of the local community:

Student enrolments will be monitored to provide information on the accessibility and relevance of courses to residents across the whole of Rhondda Cynon Taff

An annual survey of the views of students and members of the community will be conducted.

The findings of relevant research projects will be considered and used to inform the College's provision.

Complaints Procedure

General

Complaints may be made with regard to any matter under College control. You may also receive advice from the College on LEA complaints procedures (for example, about grants) and the procedures of examining bodies.

Informal Complaints

We recommend that, where appropriate, concerns and complaints be resolved informally. If this is not possible, the College will provide information regarding its complaints procedures, together with contact names and addresses of other organisations to whom you might wish to complain.

COLEG MORGANNWG POLICY DOCUMENT

Formal Complaints

Complaints should be in writing and should include as much relevant information as possible. Complainants may occasionally be asked to visit the College to further discuss the complaint.

On receipt of a complaint, a senior member of staff will undertake an investigation and decide on appropriate action.

Complainants will normally receive replies to formal complaints within ten working days of receipt within the Principals office.

Appeals

If the original handling of the complaint is not to the satisfaction of the complainant they may appeal for a review by the Principal.

There may be further rights of appeal or complaint external to the college such as to DCELLs or an Examinations board. The College operates an open policy in providing these contacts to a complainant.

Services

The College welcomes suggestions and comments on its services. Should you wish to make your views known about the services provided, you should contact Campus Services

Quality Assurance

The College has well-established quality assurance procedures that include:

a published quality framework updated annually and quality management year planner

a programme of annual review and evaluation at course, curriculum area, functional unit and institutional level

a system of internal teacher observations

a programme of annual surveys of the views of students, employers and members of the community

Annual Quality Reports that will summarise the annual survey, examination results and career destinations of students as well as reporting on the overall findings of external verifier reports and college inspections.

COLEG MORGANNWG POLICY DOCUMENT

Equal Opportunities Policy

The College aims to foster and encourage the learning and personal growth of all its students in a welcoming, accessible and stimulating environment, promoting and celebrating diversity. The College will strive to create an open, disciplined, and caring community by emphasising the personal achievement of every student and staff member, regardless of age, gender, race, religion, or disability.

No employee or job applicant, student or course applicant, should be disadvantaged or treated less favourably because of conditions or requirements which cannot be justified. The College will seek to make reasonable adjustments to its arrangements and premises with a view to avoiding any disadvantages for disabled people. Action will be taken to ensure that individuals are treated equally and fairly.

In particular the College will support those with learning difficulties and disabilities through a network of staff trained to identify issues and provide support.

The College will not tolerate any form of behaviour or activity that discriminates on the grounds of gender, marital status, family responsibilities, sexual orientation, colour, race, nationality, religious belief, ethnicity, disability, age and unrelated criminal convictions.
